(1) Does not include Digital.

(2) Includes the satellite replacement funds.

(3) State and local tax-based sources include revenue received from state and local governments and all tax-supported colleges and universities.

(4) Includes revenues related to spectrum auction. The one-time only proceeds earned through the broadcast spectrum auction go to the nonprofit entity or state or local governmental body that holds the license for that station. The body that holds the license can use the revenue in whatever manner it chooses and proceeds may be used for purposes outside of public broadcasting.

Glossary	
Term	Definition
All Other	Revenue that can't be classified in other categories. Includes revenue from Subsidiaries, Special Fundraising Activities, Endowment Revenue, and Capital Campaigns.
Business	Gross revenue received from commercial stations, networks, cable companies and other for-profit entities. Includes underwriting revenue and payments for goods and services.
Corporation for Public Broadcasting	CPB Federal Appropriation
Entrepreneurial Revenue	Also known as commercial revenue. This is revenue received from commercial transactions. This amount is comprised of revenue that does not qualify as NFFS.
Federal Grants and Contracts	Funds provided by the federal government
Foundations	Revenue received from national, regional, local foundations or non-profit associations. Includes underwriting revenue and payments for goods and services. The term non-profit is used to describe any non-for-profit corporation, foundation, or association that is not a public telecommunications entity, no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.
Local Governments	All grants, payments, or appropriations from local governmental agencies, including county government support.
NFFS	Non Federal Financial Support
Other Colleges and Universities	Any revenue from other tax-supported colleges and universities, including community colleges. Includes discretionary work-study funds, and any direct costs incurred or absorbed by the university specifically for the station.
State Colleges and Universities	Grants, payments or appropriations received from state colleges and universities. Includes discretionary work-study funds, and any direct costs incurred or absorbed by the university specifically for the station.
State Governments	Grants, payments or appropriations from state agencies, including state public broadcasting agencies or networks.
Subscribers	Revenue from membership, subscription contributions and friends groups.
