RE: Evaluation of KGOU-FM, The University of Oklahoma, Compliance with Selected Communications Act and General Provisions Transparency Requirements (Report No. ECR2406-2408).

Dick Pryor,

The evaluation referenced above concluded that KGOU-FM was compliant with select requirements in the Communications Act of 1934, as amended, and in the General Provisions and Eligibility Criteria governing the 2023 community service grant awarded it by the Corporation for Public Broadcasting. Specifically, that KGOU-FM was compliant with all seven requirements tested.

We agree with those results and require no additional action be taken.

Kind regards,

Jackie J. Livesay
