## PART II. DEFINITIONS

Exhibit A 30  
Exhibit B 31  
Exhibit C 35
2024 Radio Community Service Grants
General Provisions and Eligibility Criteria

These Radio Community Service Grants General Provisions and Eligibility Criteria (General Provisions) set forth the requirements applicable to the Corporation for Public Broadcasting (CPB) Radio Community Service Grant (CSG) program. Part I contains the general requirements for the CSG Program, and Part II defines the terms used herein. CSG recipients must also comply with requirements in the documents identified in Exhibit A, which is attached hereto and incorporated herein by reference.

PART I. CSG PROGRAM

Section 1. Eligibility Criteria

A. Eligible Grantee: An eligible grantee is a Licensee that:

1. operates one or more radio stations, at least one of which is the Licensee’s Flagship Station and meets the eligibility criteria herein;

2. received a CSG in FY 2023 or submitted an application to CPB for CSG funding during the open application period; and

3. is determined by CPB to be a qualified CSG recipient.

B. Ineligible Stations: The following radio stations are not eligible to receive a CSG:

1. closed-circuit or carrier current stations;

2. stations that are managed and operated by and for students;

3. stations that primarily provide training programming to Licensee employees, clients, and/or representatives; and

4. stations licensed to political organizations.

C. Additional Eligibility Criteria: Grantees in the categories below are subject to the following additional eligibility criteria:

1. Joint Licensees: Joint Licensees must individually meet the requirements set forth herein and the applicable General Provisions governing their television CSG.
Resources (including but not limited to NFFS, Full-time Employees and Full-time Equivalent Employees) designated to meet the requirements of one CSG may not be used to meet the requirements for any other CSG.

2. **Licensees Receiving Multiple Radio CSGs:** Licensees receiving multiple radio CSGs must ensure that each Grantee individually meets the requirements set forth in the General Provisions. Resources (including but not limited to NFFS, Full-time Employees, and Full-time Equivalent Employees) designated to meet the requirements of one CSG may not be used to meet the requirements for any other CSG.

3. **Overlapping Stations:** Overlapping stations, owned by the same Licensee, are deemed a single Grantee and do not qualify for separate CSGs.

D. **Maintaining Eligibility:** Grantee is responsible for ensuring it is compliant with the General Provisions at all times during the Spending Period and must promptly notify CPB of any non-compliance by email to Director, Radio CSG Policy & Administration, at csg@cpb.org (or the individuals CPB subsequently designates).

CPB reserves the right to reduce or eliminate Grantee’s current or future CSGs if CPB determines Grantee is not in compliance with the General Provisions and the CSG Agreement and Certification of Eligibility.

E. **CPB Waiver:** CPB may, in its sole discretion and in exceptional circumstances, waive a non-statutory eligibility criterion listed in Section 1. Eligibility Criteria.

**Section 2. Communications Act Requirements**

Grantee may not receive a CSG unless it complies with the applicable provisions of the Communications Act. In its annual CSG Agreement and Certification of Eligibility, Grantee must certify to CPB that it is compliant and will remain so throughout the Spending Period.

Certain requirements of the Act are summarized below. This summary does not include additional provisions of the Act or other applicable laws and regulations. More detailed guidance may be found in the CSG **Compliance Booklet**.

A. **Open Meetings:** Meetings of Grantee’s governing body, its committees and CAB must be open to the public (47 U.S.C. § 396(k)(4)). In addition, CPB requires Grantee to give at least seven days advance notice of meetings, including the time and place, by:

1. posting notice on its station website;
2. broadcasting notice on-air between 6 a.m. and 11 p.m., as shown by the station’s log;
3. placing notice in the “Legal Notices” section of a local newspaper in general circulation in the station’s primary coverage area; or

---

1 June 1, 2021 edition.
4. giving notice through a recorded announcement accessible on the station’s phone system.

B. Closed Meetings: Grantee must document why any meetings of its governing body, its committees, and CAB were closed and make available to the public a written statement of the reason(s) within a reasonable time after the closed meeting (47 U.S.C. § 396(k)(4)). CPB also requires that the written statement be made available for inspection, either at Grantee’s central office or on its station website, within 10 days after each closed meeting.

C. Open Financial Records: The Act requires stations to make available to the public their annual financial and audit reports and related financial information they are required to provide to CPB (47 U.S.C. § 396(k)(5) and § 396(l)(3)(b)). CPB also requires that Grantee post the following documents on its station website:

1. its most recent audited financial statement, or unaudited financial statement if permitted; and

2. its most recent AFR or FSR (whichever is applicable).

D. CAB: All Grantees, other than those owned by a state, a political or special purpose subdivision of a state, or public agency, must have a CAB² (47 U.S.C. § 396(k)(8)).

1. Grantee must undertake good faith efforts to ensure that its:
   a. CAB meets at regular intervals;
   b. CAB members regularly attend its meetings; and
   c. CAB reasonably represents the diverse needs and interests of the communities served by the station.

2. The CAB’s responsibilities include the:
   a. right to review the station’s programming goals;
   b. right to review the service provided by the station;
   c. right to review significant policy decisions rendered by the station; and
   d. obligation to advise the station’s governing body on whether the station’s programming and other significant policies are meeting the specialized educational and cultural needs of the communities served by the station, and to make recommendations that the CAB deems appropriate to meet such needs.

² This requirement includes private college or university licensees that are not “owned and operated by a State, a political or special purpose subdivision of a State, or a public agency”. §396(k)(8)
E. **Employment Statistical Report:** Each Grantee must:

1. file annually with CPB its Employment Statistical Report; and
2. make its Employment Statistical Report available for public inspection at its central office and at each other location where there are six or more employees (47 U.S.C. § 396(k)(11)).

F. **Donor Information:** As required by 47 U.S.C. § 396(k)(12):

1. Grantee is barred from renting contributor names, donor names, or other personally identifiable information (collectively, Personal Information) to or from, or exchanging Personal Information with any federal, state, or local candidate, political party, or political committee.
2. Grantee is also barred, unless required by law, from disclosing a contributor or donor’s Personal Information to any Nonaffiliated Third Party, unless the station:
   a. clearly and conspicuously notifies contributors or donors that the station may release its Personal Information to Nonaffiliated Third Parties;
   b. advises contributors or donors before any disclosure that they have the option not to have their Personal Information disclosed; and
   c. explains to the contributor or donor how to exercise that non-disclosure option.

Section 3. Recordkeeping Requirements

Grantee must comply with the recordkeeping requirements set forth below.

A. **Recordkeeping, Certification, and Audit Requirements:** The Communications Act mandates recordkeeping and auditing and provides CPB and its representatives access to all records concerning a CSG. Grantee must maintain such records as CPB may in its discretion require to facilitate an effective audit. (47 U.S.C. § 396(l)(3)(B), (C), & (D)).

Additional information related to recordkeeping is found in the **Principles of Accounting.**

B. **Records and Documentation:** Grantee must retain all CSG records, including documentation sufficient to substantiate its CSG Agreement and Certification of Eligibility, for no less than three years after the end of the Spending Period. However, CSG records must be retained for no less than 10 years, after commencement of any of the events below:

---

3 The Employment Statistical Report is required by the Communications Act and reported in Section 1 of the Station Activity Survey. This report is different from the FCC’s Equal Employment Opportunity requirements. See Section 21. Equal Employment Opportunity.
1. when litigation or an audit begins before the expiration of the three-year period; and

2. when CPB requests otherwise in writing.

Notwithstanding the general three-year requirement, Grantee may need to retain some documentation for longer periods of time, if necessary, to demonstrate its compliance with the General Provisions. For example, if the calculation of indirect costs and other valuations reported as NFFS were documented in prior years, they should be retained to support compliance in the current Spending Period.

CPB reserves the right to disallow any expenditures Grantee cannot support with appropriate documentation.

C. CSG Agreement and Certification of Eligibility: Grantee must annually submit its CSG Agreement and Certification of Eligibility to CPB. Compliance is subject to audit by CPB’s Inspector General and others, and improper certification may result in loss of CSG eligibility, and penalties under the Federal False Claims Act and the CSG Non-compliance Policy.

D. Discrete Accounting Requirement: During the Spending Period, Grantee must be compliant with the Discrete Accounting Requirement.

E. Expenditures and Discrepancies: Grantee’s CSG expenditures must comply with the General Provisions. Failure to comply or provide appropriate documentation may result in CPB requiring Grantee to repay to CPB a portion or all the CSG funds it received.

In the event of an improper expenditure or any discrepancies or inaccuracies in CSG expenditures, whether reported by Grantee, discovered during an audit or otherwise, CPB may, in its discretion, reduce Grantee’s CSG. If CPB requires Grantee to return all or part of the overpayment, CPB will notify Grantee in writing of the action it intends to take.

F. Penalty for Late Filing: If Grantee files any of the following beyond the required deadline or CPB-approved extension, its next CSG will be subject to a penalty. The penalty is up to 1/365th of the next CSG for each day any of the following reports are late:

1. AFR or FSR;

2. Audited financial statements (if applicable); and

3. Annual SAS.

4 CPB revised its records retention requirements effective FY 2015.
Grantee may request up to two extensions for each report above. Joint Licensees must request separate extensions for each radio and television grantee.\(^5\)

Section 4. Operational Requirements

Grantee must comply with the operational requirements below.

A. **FCC Operating Requirements:** Grantee must comply with FCC requirements for the operation of a non-commercial educational radio station throughout the Spending Period. Failure to comply with FCC requirements and the terms of the station’s broadcast license may, at CPB’s discretion, result in the loss or return of its CSG.

B. **Operating Power:** Grantee must operate a broadcast station that has an ERP of 100 watts or greater in the case of an FM radio station or an operating power of 250 watts or greater in the case of an AM radio station. However, AM stations operating at less than 250 watts at certain times because of license restrictions, will remain CSG qualified if:

- the station meets all other requirements in the General Provisions; and
- CPB determines, in its sole discretion, that issuance of a CSG would further CPB’s statutory goals of universal service and provide service to unserved or underserved audiences.

C. **Broadcast Schedule:** Grantee’s primary signal must have a broadcasting schedule of at least 18 consecutive hours per day, seven days per week, for 52 weeks per year. However, shared time radio stations meet this criterion if they operate at the maximum level authorized by the FCC.

The substantial majority of Grantee’s daily total programming hours broadcast on its primary channel and all multicast channels must be devoted to CPB-Qualified Programming.

D. **Locally Originated Program Service:** Grantee must originate a local program service designed to serve its community’s needs and interests.

E. **Facilities:** Grantee must have sufficient, professionally equipped on-air and production facilities to broadcast programming, of high technical quality, including the capability for simultaneous local production and origination. In addition, Grantee must provide sufficient office space suitable for station operations.

Section 5. Staffing Requirements

**Staffing Requirements:** Grantee must employ at least the number of staff for its respective CAP Categories as set forth in the following table with the exception of Sole Service grantees, which have no minimum staffing requirements.

\(^5\) Instructions for requesting extensions are in the Financial Reporting Guidelines (Part II, Section XV) and in the SAS instructions (General Instructions Section).

A. **Calculating Full-time and Full-time Equivalent Employees:** Positions funded by the CSG shall not be counted toward satisfying the required Full-time Employee or Full-time Equivalent Employee professional minimum staffing requirements. The minimum staffing requirement for each CAP Category may be met with a combination of Full-time and Full-time Equivalent Employees, provided no fewer than two employees are Full-time Employees. All Full-time and Full-time Equivalent Employees must work on an annual (12-month) basis. At least two Full-time Employees must be employed in a managerial and/or programming position.

B. **On-the-Job Training:** Custodial and clerical staff, students whose student status is a condition of employment, interns, and persons enrolled in programs of formal on-the-job training shall not be counted toward satisfying the minimum staffing requirements, nor shall personnel teaching or fulfilling other academic duties in excess of the equivalent of one three-hour credit course per quarter or semester.

C. **MASS Grantees:** MASS Grantees may count Full-time Equivalent Employees staff toward the Full-time Employee staffing requirement.

### Section 6. Minimum NFFS

Grantees that do not meet the required minimum NFFS for their CAP Category (shown in the table below) for three consecutive years automatically lose their future CSG eligibility, as explained below.

A. **Minimum NFFS:** Grantee must meet the minimum NFFS in the table below for its CAP Category, using its 2022 fiscal year AFR or FSR, whichever is applicable.

B. **Minimum Direct NFFS:** At least fifty percent of Grantee’s minimum NFFS must be Direct NFFS.

<tr>

</tr>
</tbody>
</table>

$^6$ Stations that must have a minimum NFFS of $100,000 include MASS stations with a minority cume composition of at least 75% and stations that qualify as both MASS and RASS stations.
C. **First Notice:** If Grantee fails to satisfy its minimum NFFS requirement based on Grantee’s 2022 fiscal year AFR or FSR (whichever is applicable), CPB will provide Grantee with written notice of the same (first notice). After receiving the first notice, Grantee will continue to be eligible to participate in the FY 2024 CSG program.

D. **Second Notice:** If, after receiving a first notice, Grantee fails to satisfy its minimum NFFS requirement based on Grantee’s 2023 fiscal year AFR or FSR (whichever is applicable), CPB will notify Grantee in writing of its continued failure to comply (second notice). After receiving the second notice, Grantee will continue to be eligible to participate in the FY 2025 CSG program.

E. **Third Notice:** If, after receiving a second notice, Grantee fails to satisfy its minimum NFFS requirement based on Grantee’s 2024 fiscal year AFR or FSR (whichever is applicable), CPB will notify Grantee in writing of its continued failure to comply (third notice). After receiving the third notice, Grantee will be eligible to participate in the FY 2026 CSG program.

F. **Ineligibility:** If, after receiving first, second, and third notices, Grantee is unable to meet its minimum NFFS based on Grantee’s 2025 fiscal year AFR or FSR (whichever is applicable), Grantee will automatically become ineligible to receive a CSG in FY 2027 and will be removed from the CSG program. CPB will notify Grantee in writing of its ineligibility.

However, if Grantee meets its minimum NFFS based on Grantee’s 2025 fiscal year AFR or FSR (whichever is applicable), Grantee will continue to be eligible to participate in the FY 2027 CSG program.

G. **Recurring Non-Compliance:** If a Grantee, after receiving first, second, and third notices in consecutive years, is compliant when filing the required AFR or FSR (whichever is applicable), for the FY 2027 CSG, but unable in any of the subsequent four CPB fiscal years (FY 2028 through FY 2031), to meet its required minimum NFFS for that period, Grantee may be given up to three additional years to become compliant.

After considering Grantee’s situation, CPB will in its sole discretion determine whether Grantee will receive up to three additional fiscal years to become compliant. If Grantee is not compliant at the end of the selected period, Grantee will automatically be ineligible to receive a CSG. CPB will notify Grantee in writing of its ineligibility.

H. **Summary Table:** The table below summarizes the CSG notice and compliance requirements.

Section 7. Audience Service Criteria

A. **MASS Grantees:** In order to receive a CSG, MASS Grantees must meet at a minimum 50 percent of at least one of the applicable index goals in the tables below.

B. **Sole Service:** Sole Service Grantees are not subject to the indices in either table below.

C. **All Other Grantees:** Grantees, excluding MASS and Sole Service Grantees, must meet either:

1. the News or Non-News Listening Index Goals set forth in the table below and associated with Grantee’s CAP; or

2. the News or Non-News Community Financial Support Index Goals set forth in the table below, and associated with Grantee’s CAP.

Grantees failing to satisfy the applicable ASC when applying for a CSG are subject to the restrictions and potential loss of CSG eligibility as detailed below.

D. **First ASC Notice:** A Grantee that fails to satisfy the applicable ASC and:

1. has met the applicable ASC during the four years prior to FY 2024, will be required to use the ASC Funds to cover all or a portion of the cost of Compliance Projects; and

2. will remain eligible for a CSG after receiving the first ASC notice, provided Grantee meets all other requirements in the General Provisions.

CPB will notify Grantee of said failure, which is deemed Grantee’s first ASC notice.
E. **Recurring Notices & Exception:** If Grantee fails to satisfy the ASC and:

1. has failed to meet the applicable ASC during one or more of the four years prior to FY 2024, Grantee must use the ASC Funds to cover all or a portion of the cost of Compliance Projects; and

2. Grantee will remain eligible for an FY 2024 CSG after receiving the second and third ASC notices, provided Grantee meets all other requirements in the General Provisions. CPB reserves the right, after reviewing the circumstances surrounding Grantee’s operations, to determine, in its sole discretion, whether Grantee shall be considered as a recipient of a first, second, or third ASC notice. CPB will notify Grantee in writing of its decision.

F. **Loss of Eligibility:** Grantees that have received a third ASC notice and failed to satisfy the applicable ASC requirements when applying for an FY 2024 CSG will not be eligible to participate in the CSG program.

G. **Recovery of Eligibility:** Grantees that have lost at any time their eligibility to receive a CSG because of failure to meet the applicable ASC requirements may be permitted to participate in FY 2024 and future years’ CSG programs if CPB, in its sole discretion, approves the same, and Grantee:

1. makes successful application to receive a CSG;
2. meets the applicable ASC requirements;
3. is found by CPB to be in compliance with the General Provisions; and
4. is not barred from participating in the current or future CSG program pursuant to a CPB management determination letter issued in response to an audit conducted by CPB’s Inspector General or otherwise.

I. **Compliance Project Expenditures:** Expenditures that qualify for Compliance Projects
include but are not limited to the following:

1. internal or external analyses of station operations;
2. acquisition of audience research;
3. investments in new local or national programming;
4. investments in new staff, provided the staff are not used to meet the minimum staffing requirements necessary for CSG eligibility; and
5. investments in increasing or improving development efforts.

J. **Reporting Compliance Project Spending:** Grantee will be required to report to CPB in writing on the nature, scope, and implementation of the Compliance Projects undertaken within the timeframe established by CPB.

**Section 8. Community Representation Statement**

The Communications Act requires CPB to support diverse non-commercial educational content for unserved and underserved audiences and to make public media’s content available for free to rural and urban audiences throughout the United States. Locally owned and operated public media stations are uniquely connected to America’s communities and positioned to reflect and serve the diverse and varying populations of their communities.

CPB encourages stations to continue to reflect and include their communities in station employment, membership on boards primarily responsible for station governance, community advisory boards (if required) and to provide educational, informational, and cultural content that meets the need of the community populations they serve. Station activities and practices in support of these objectives must be consistent with the Equal Employment Opportunity provisions in the General Provisions and with other applicable federal and state laws.

To affirm this ongoing commitment, stations are required to adopt a “Community Representation Statement” that documents their support of these goals and how they plan to achieve them. The Community Representation Statement must be posted on the station’s website or made available at its central office. Stations must biennially review their Community Representation Statements with their governing body and modify them as necessary to reflect significant changes in their communities’ populations served and their strategies to serve them.

**Section 9. Transparency**

A. **Public Inspection of Documents and Website Posting:** To ensure transparency and public confidence in the use of CPB funds, the Communications Act requires Grantees to make certain documents available for public inspection. As set forth below, CPB also requires public access to other documents, and specifies how all documents must be made available for inspection, either by maintaining them at Grantee’s office or by posting them on its station website.
Website posting is not mandatory for all documents, but Grantees are encouraged to post all required information, including meeting notices, for convenience of public access. For purposes of these General Provisions, “station website” includes the website of Grantee’s station, if it has one, and if not then its Licensee’s website or an affiliated station’s website. If Grantee has none of the foregoing, it may, with CPB’s approval, use a website shared by other public broadcasting stations.

B. **Documents for Public Inspection: Website Posting Required:** At a minimum, each Grantee must post the following for public inspection on its station website.

1. Station Senior/Executive Management: The names, titles and contact information;
2. Governing Body: A list of the members of its governing body;
3. CAB Members: A list of its CAB members; and
4. The most recent financial records (audited or unaudited financial statements and the AFR or FSR) as required by Section 2(C), Communications Act Requirements.

C. **Documents for Public Inspection: At Central Office or on Station Website:** At a minimum, each Grantee must maintain the following documents for public inspection at its central office, or post the same on its station website:

1. Community Representation Statement (Section 8); and
2. LCSR which is Section 6 of the SAS.

**Section 10: Training Requirements**

A. **Annual Harassment and Bias Prevention Training:** To ensure that CPB-supported public media stations train their personnel to recognize, avoid and report workplace discrimination, including harassment and bias, CPB requires annual harassment and bias prevention training for all officers, employees, and interns of each station as a condition of Grantee’s CSG eligibility. Grantee may satisfy this requirement through either of the following training options:

1. An interactive online harassment and bias prevention training service, available free of charge through CPB, that instructs your personnel, individually on the following topics:
   
   - What constitutes acceptable and unacceptable workplace behavior;
   - How to recognize harassment and bias when it occurs; and
   - How to report and respond to violations.

2. A comparable harassment and bias prevention training program of Grantee’s choice. The program will be considered “comparable” if it instructs Grantee’s personnel individually, either in person or online, on the three topics above.
B. **Annual CPB-sponsored Compliance Training:** Grantee must complete at least one live webinar or in-person CPB-sponsored compliance training session annually.

**Section 11. Donor Privacy**

Grantee must comply with all applicable federal and state laws and regulations regarding donor privacy and data security.

**Section 12. Permitted CSG Expenditures: Unrestricted and Restricted**

Pursuant to the Communications Act, CSG funds distributed “. . . may be used at the discretion of the recipient for purposes related primarily to the production or acquisition of programming (47 U.S.C. § 396(k)(7)).

CSGs are divided into unrestricted and restricted amounts, each subject to the different spending constraints set forth below. However, both the unrestricted and restricted CSG amounts must be used to support Grantee’s ability to expand the quality and scope of services it provides to the community it serves.

A. **Unrestricted CSG:** Unrestricted CSG expenditures must fall into one of seven categories, which include salaries and benefits for personnel engaged in those activities as shown in Exhibit B, attached hereto and incorporated herein by reference. Grantee may not use any of the unrestricted CSG to cover salaries and benefits for Full-time or Full-time Equivalent Employees used to satisfy Grantee’s Staffing Requirements, Section 5.

B. **Restricted CSG:** Restricted CSG funds must be used as specified in Section 396(k)(3)(A)(iii) of the Communications Act, which provides that the funds are “solely to be used for acquiring or producing programming that is to be distributed nationally and is designed to serve the needs of a national audience.”

Accordingly, for all CAP Categories, the restricted portion of the CSG must be spent on national program production and acquisition costs and be used exclusively for the acquisition, production, promotion, and/or distribution of national programming of high quality, diversity, creativity, excellence, and innovation, with strict adherence to objectivity and balance in all programs or series of programs of a controversial nature.

To qualify as a national program for funding from CSG funds, a program must be placed in the national marketplace of public radio programming. In addition to the purposes described in the previous paragraph, the restricted portion may be used for the direct costs associated with placing a program produced with CSG funds into the national marketplace, such as the cost of purchasing satellite time or other direct distribution costs.

Expenditures from the restricted portion of the CSG must fall into one of the following four categories:

1. **Production Expenditures:** Production expenditures include Grantee’s production of programs for national distribution and the payments Grantee makes directly to
independent producers to produce programs for national distribution.

2. **Program and Content Acquisition Expenditures:** Program and content acquisition expenditures include payments to public broadcasting entities that act as producers and/or distributors for national programs. It also includes payments Grantee makes to acquire programs from producers (commercial and nonprofit), including independent producers acting as their own distributors, provided the programming is CPB-Qualified Programming.

3. **Distribution Expenditures:** Distribution expenditures include distribution/interconnection fees, uplink fees, satellite space costs, and supplies related to the national distribution of locally produced or acquired programming. It also includes broadcast, transmission, and technical costs. It does not include the cost of equipment.

4. **Promotion Expenditures:** Promotion expenditures include the costs of promoting acquired national programs and nationally distributed programs whether produced by Grantee or by independent producers under contract to Grantee.

   Grantee must ensure that any program produced or acquired with the restricted portion of CSG funds must include appropriate underwriter credit for CPB, identifying CPB’s financial assistance whenever broadcast.

**Section 13. Other Restricted CSG Expenditures**

Grantee’s use of CSG funds is further restricted as follows:

A. **Entertainment:** Grantee shall not use any CSG funds for purposes of conducting any reception or providing any other entertainment for any officer or employee of the federal government, or any state or local government (47 U.S.C. § 396 (k)(2)(A)).

B. **Influencing Legislation:** Grantee shall not use any CSG funds to pay the salary or expenses of Grantee’s staff, or its agents, related to any activity designed to support, defeat, or influence legislation or appropriations before Congress, or any state legislature (26 U.S.C. § 501(c)(3)).

   Grantee shall not use any CSG funds for activities designed to support, defeat, or influence legislation or appropriations pending before the Congress, or any state legislature. This also refers to activities including, but not limited to:

   1. publicity or propaganda; and
   2. the creation, distribution, or use of any kit, pamphlet, booklet, social media communications, publication, and radio, television, or video presentation.

   However, if these activities support a presentation Grantee makes to or at the request of the Congress, any state legislature, or in support of recognized executive-legislative relationships, they may be exempt (26 U.S.C. § 501(c)(3)).
C. **CPB-Qualified Programming:** Grantee shall not use any CSG funds to cover the cost of producing, acquiring, or distributing programs, unless they are for CPB-Qualified Programming.

D. **Restricting CSG Funds:** Grantee may not impound or otherwise withhold or inappropriately restrict the station’s use of CSG funds. CSG funds may not be used to supplant funds or reduce budgets for other support already being provided to the station(s) by Grantee.

E. **Overhead Expenses:** Grantee shall not use CSG funds to offset a Licensee’s overhead or for any other expenses not directly related to the operation of the station, unless such overhead and expenses are enumerated in Section 4, Operational Requirements.

F. **Sale of Assets:** Grantee shall use CSG funds and the proceeds from the sale of assets acquired with CSG funds solely for the benefit of the public broadcast radio station.

G. **Staffing Costs:** Full-time Employees whose salaries are paid using CSG funds must exercise full-time responsibilities over the public broadcast radio station’s operations. Grantee shall not require said personnel to perform duties unrelated to the public broadcast radio station’s operation. For Full-time Employees whose salaries are partially paid using CSG funds, Grantee shall ensure that the portion of their salary paid with CSG funds shall not exceed the percentage of said employees’ time spent on the public broadcast radio station’s operations.

H. **Standard Pricing:** Grantee shall not use CSG funds for personnel services, programming (production and acquisition) expenses, or the cost of technical facilities in excess of the standard amounts Grantee usually pays for the same under similar circumstances.

**Section 14. Spending Period**

Any funds not expended during the Spending Period must be returned to CPB no later than November 3, 2025.

Expenditures inconsistent with these shall be considered unauthorized expenditures and must be returned to CPB pursuant to Section 18. Return of Funds. Once the Spending Period expires, Grantee may not reallocate disallowed expenditures.

**Section 15. CSG Payments and Report Due Dates**

A. **CSG Payments:** CSGs will be disbursed to Grantee in two installments. However, each CSG payment is contingent upon Grantee’s compliance with these General Provisions and submitting all required forms, reports, and/or other documents and information required by CPB.

B. **CSG Offer Expiration:** Grantee’s Head of Grantee and Licensee Official must execute its CSG Agreement and Certification of Eligibility by June 30, 2024, or risk forfeiting its CSG
as determined by CPB. If Grantee prefers to receive the CSG payment at a different date, Grantee must notify CPB in writing at csg@cpb.org.

C. Reporting Requirements: To avoid penalties and delayed disbursement of CSG payments, Grantee must submit all required documents and reports to CPB on time. The financial forms (AFR or FSR and financial statement) are due within five months after the close of Grantee’s fiscal year. As a condition of receiving the CSG, Grantee must also complete and submit its annual SAS (including the LCSR) to CPB by February 15. If Grantee submits any of these documents after the filing deadlines, as determined by CPB, Grantee will be subject to a financial penalty set forth in Section 3(F), Recordkeeping Requirements.

Grantee must submit a separate AFR or FSR and audited financial statement to CPB for each radio and television CSG it receives. However, if multiple stations are licensed to or operated by the same entity, Grantee may submit a consolidated financial statement as provided in the Financial Reporting Guidelines.

Those submitting an FSR with Total Station Revenue of less than $300,000 in the reporting year (i.e., Grantee’s fiscal year) have the option of submitting an audited or unaudited financial statement. Those with Total Station Revenue of $300,000 or more must submit an audited financial statement. Audited financial statements must include an attestation by Grantee’s independent accountant that its FSR complies with the Financial Reporting Guidelines.

Section 16. Extent of CPB Commitment

CPB makes no commitment or representation, expressed or implied, to provide Grantee funds in excess of the CSG for which Grantee qualifies and CPB determines is appropriate. CSG awards are contingent upon CPB receiving its federal appropriation. In the event reductions occur in the amount of that appropriation, which is allocated to CSG awards, whether by rescission or otherwise and whether before or after funds are paid to Grantee, the CSG awards shall be recalculated based on the revised appropriation and reduced accordingly. CPB will notify Grantee of the amount of any such reduction, and Grantee shall promptly return the amount to CPB. CPB may, in its sole discretion, elect to recover all or part of such funds immediately or by reducing future payments that may be due Grantee under this or any other CPB grant program.

Section 17. Termination

CPB reserves the right to terminate Grantee’s CSG if it fails to comply with the General Provisions or provides inaccurate information to CPB in any certification required by the General Provisions or any CSG-related document. Upon termination, CPB may, in its sole discretion, require Grantee to return CSG funds pursuant to Section 18, Return of Funds.
Section 18. Return of Funds

A. **Unused Funds:** All FY 2024 CSG funds that are not expended by September 30, 2025, must be returned to CPB on or before November 3, 2025.

B. **Unauthorized Expenditures:** Unauthorized CSG expenditures shall be repaid by Grantee to CPB immediately upon CPB’s request.

C. **Loss of CSG Eligibility:** When a Grantee is no longer eligible to receive a CSG, CPB, in its sole discretion, may require Grantee to return CSG funds, as set forth below.

1. In any of the situations described in paragraphs (2) or (4) below, CPB may require a recipient of a CSG to return the greater of:
   
   a. all unexpended CSG funds from grant periods that have not yet expired; or
   
   b. the amount equal to the *pro rata* monthly share of the total CSG for all grant periods that have not yet expired, multiplied by the number of full months remaining in the grant period(s).

2. In addition to the amount that CPB may require a CSG recipient to return under paragraph (1) above:
   
   a. If any recipient of a CSG effectuates a transfer of control, assignment, or lease of its broadcast license to a non-CSG-qualified organization, whether or not effectuated in accordance with Section 19, Assignment, CPB may require the recipient to return an amount not to exceed the greater of: (a) twenty percent of the sale price in the event of a sale, (b) twenty percent of the amount to be paid under the lease over the course of its term in the event of a lease, or (c) twenty percent of all CSG funds that have been provided, as calculated on a *pro rata* monthly basis, during the 24-month period preceding the effective date of the Grantee’s agreement for transfer of control, assignment, or lease; or
   
   b. If any recipient of a CSG ceases to operate a qualified public radio service due to the relinquishment or loss of its broadcast license, CPB may require the recipient to return an amount not to exceed fifteen percent of all CSG funds that have been provided, as calculated on a *pro rata* monthly basis, during the 24-month period preceding the date on which the relinquishment or revocation becomes final (i.e., no longer subject to administrative or judicial review), provided, however, that if the relinquishment of a broadcast license is related to a merger or consolidation with another CSG-qualified organization, then CPB’s ability to require the return of funds shall be governed by paragraph (3) below rather than this paragraph; or
   
   c. If CPB determines that any recipient of a CSG, for any reason other than those set forth in paragraphs (1) and (2) above, is no longer qualified to receive CSG funds (including but not limited to as a result of a failure to comply with any requirement of these General Provisions or the imposition by the FCC of
limits upon its operations), CPB may require the recipient to return an amount not to exceed fifteen percent of all CSG funds that have been provided, as calculated on a pro rata monthly basis, during the 24-month period preceding the date on which CPB determines that the recipient was no longer qualified.

3. If a Grantee:
   
a. effectuates a transfer of control, assignment, or lease of its broadcast license to a non-CSG-qualified organization that, as a result of the transfer of control, assignment, or lease desires to become a CSG-qualified organization and is otherwise qualified, or

b. relinquishes its broadcast license pursuant to a merger or consolidation with another CSG-qualified organization, and

c. complies with the requirements of Section 19. Assignment, CPB may, in its sole discretion, permit the recipient to assign any of the funds that CPB might otherwise require the recipient to return pursuant to paragraph (1) above to the organization with which the recipient’s operations were or are to be merged or consolidated, provided that the recipient demonstrates to CPB’s satisfaction that such funds will be used in accordance with these General Provisions.

4. If any recipient of a CSG effectuates a transfer of control, assignment, or lease of its broadcast license to another CSG-qualified organization and complies with the requirements of this Section, CPB may, in its sole discretion, permit the recipient to assign any of the funds that CPB might otherwise require the recipient to return pursuant to paragraph (1) above to the CSG-qualified transferee or lessee, provided that the recipient demonstrates to CPB’s satisfaction that such funds will be used in accordance with these General Provisions.

D. Procedures for Return of Funds: In all cases in which funds must be returned, checks shall be made payable to the Corporation for Public Broadcasting, and forwarded to Vice President and Controller, Corporation for Public Broadcasting, 401 9th Street, N.W., Washington, DC 20004. Grantee should communicate to CPB the amount of the returned funds attributed to unrestricted and/or restricted funds. If Grantee fails to return funds due to CPB, CPB reserves the right to offset said amount due against Grantee’s future CSG payment(s).

Section 19. Assignment

Grantee may not assign any of its rights or obligations hereunder in whole or in part (even if a third party becomes responsible for providing programming for all or part of a station’s broadcast schedule or any other aspect of Licensee’s broadcast operations) without CPB’s prior written consent.
Section 20. Nondiscrimination

Grantee must comply with the nondiscrimination provisions set forth below.

A. **Discrimination:** Grantee shall not discriminate against any employee or applicant for employment because of race, color, religion, age, sex, national origin, or physical or mental handicap. Section 22. Other Nondiscrimination Requirements

A. **Discrimination Claims:** Grantee acknowledges that CPB is a private, nonprofit corporation and does not have the legal authority to investigate and adjudicate complaints alleging discriminatory practices by Grantee. CPB will, therefore, refer all such complaints it receives to a government agency with jurisdiction to conduct any proceedings that may be appropriate. Further, CPB will cooperate fully with every such agency with jurisdiction to

Whenever such determination is appealed or otherwise challenged in an appropriate forum, whether or not the effect of such determination is stayed pending appeal, CPB shall notify Grantee that, unless Grantee can show cause to the contrary within 30 days, CPB shall suspend or cancel CPB assistance. If CPB decides to suspend or cancel such funding, all sums that would have been payable to Grantee shall be held by CPB pending completion of the appellate process, and CPB shall not suspend or cancel its non-financial and/or in-kind assistance during the appeal.

**Section 23. Governing Law and Jurisdiction**

Except as otherwise required by law, the General Provisions and all instruments between Grantee and CPB related thereto shall be construed in accordance with the laws of the District of Columbia. A Licensee operating multiple services (radio/radio, radio/television) serving the same community may qualify as a single Sole Service station.

14 Sole Service grantees do not have to meet the ASC requirement.

15 All Grantees will receive an incentive match on Tiered NFFS which is a portion of total NFFS: 90% of NFFS less than $300,000; 100% of NFFS from $300,000 to less than $15 million, and 80% of NFFS equal to or exceeding $15 million.

16 FY 2024 Radio Incentive Rate of Return (IRR) is estimated at 5.4 cents for every dollar of Tiered NFFS.
